

Dear Waterfowl Hunter,

Only Fish Point, Harsens Island, and Shiawassee state and federal wildlife areas are included in the special drawing and pre-registered hunt system this year. Hunters should be aware that in 2004, these areas may not require pre-registration. Hunters would still be required to participate in the daily drawings at local check stations, and parties with youth hunters would still have first priority on youth-hunt days.

Opening day reservations are no longer required at Allegan, Nayanquing Point, Wigwam Bay, Crow Island, St. Johns Marsh, Point Mouillee, and Maple River wildlife areas. Reports from area managers and from hunters at these sites have been generally positive. The Wildlife Division welcomes your input on this potential change. If you would like to express your thoughts on discontinuing the opening weekend reserved hunt, please write to: Waterfowl Hunting Reservations, Wildlife Division, PO Box 30444, Lansing, MI 48909-7944.
